FYI, I have responded that we intend to file a status report early next week informing the court of the existence of the letter. I'm not sure when the call will be.

Dave C and Jane: Can we schedule a call sometime next week to discuss both the briefing and the attached? Monday looks pretty wide open for David K and me. Wednesday and Thursday up until 1pm would also work. (These are eastern times.) Thanks much.

I'm sorry not to respond sooner – I've been swamped. Is there any way we could schedule this for late next week or the following week?

Hi David. I would like to bring some of the EPA team in on any discussion of that nature if it is okay with you two. I would need to coordinate with them on availability.

Dave and Jane,

Would you have time in the next week or two to touch base about our respective briefs. We'd like to just have a high-level discussion to coordinate and discuss who might be focusing on which particular issues.

Thanks,  
Dave
